Sir:

Applicants request a one-month extension of time from February 23, 2003 to March 23, 2003 and authorize the Commissioner to charge the fee therefor to our deposit account in accordance with the attached Fee Transmittal sheet.

The Examiner has issued a restriction requirement. Specifically, the Examiner indicated that claim 94 is directed to one species and claim 95 is directed to another species.

Accordingly, applicants elect claim 95 for further prosecution in this patent application. Applicants note that the Examiner indicates that currently, claims 84-93 appear to be generic.
